CALL NUMBER: Pam Coll 10

TITLE: Cancer "cures" collection

DATES: 1900-1954

PHYSICAL DESCRIPTION: 1 box

LANGUAGE: In English.

SUMMARY: Collection consists of pamphlets and books by individuals, private cancer hospitals, and other organizations promoting non-surgical cures for cancer. The American Medical Association claimed that any such cures were fakes. The promoters in turn criticized the AMA as the "medical trust." Most of the pamphlets contain patient testimonials. Approximate dates for items are based on the date of the most recent testimonials.
