**CALL NUMBER:** Pam Coll 30

**TITLE:** History of medicine and science organizations and institutions collection

**DATES:** 1909–2019

**PHYSICAL DESCRIPTION:** 13.75 linear feet (14 boxes)

**LANGUAGE:** English; German; French; Spanish; Castilian

**SUMMARY:** The collection includes materials from history of medicine and science professional organizations, libraries, archives, museums, and foundations, 1909-2019.

**ONLINE FINDING AID:** To cite or bookmark this finding aid, please use the following link: <https://hdl.handle.net/10079/fa/med.pam.0030>

---

## Requesting Instructions

To request items from this collection for use on site, please use the request links in the HTML version of this finding aid, available at <https://hdl.handle.net/10079/fa/med.pam.0030>.

Key to the container abbreviations used in the PDF finding aid:

f. folder

---

## Administrative Information

---

### Immediate Source of Acquisition

The collection was created by the Medical Historical Library in 2025. Many of the materials were mailed to individual Medical Historical Library staff by organizations and institutions and include mailing labels identifying original recipients. Provenance for other items in the collection is unknown. Materials from the History of medicine and science newsletters collection, 1980-present, are included in this collection.

---

### Conditions Governing Access

The collection is open for research.

## Conditions Governing Use

Copyright status for collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

---

## Preferred Citation

History of medicine and science organizations and institutions collection. Historical Library, Harvey Cushing / John Hay Whitney Medical Library, Yale University.

---

## Scope and Contents

The collection includes materials from history of medicine and science professional organizations, libraries, archives, museums, and foundations, 1909-2019.

Series I. History of medicine and science organizations, United States, 1954-2009, includes newsletters and conference materials from professional organizations based in the United States. Organizations include the American Association for the History of Medicine (AAHM), Archivists and Librarians in the History of the Health Sciences (ALHHS), the History of Science Society (HSS), and others. Some of the conference materials in the series are from events attended by Medical Historical Library staff.

Series II. History of medicine and science institutions, United States, 1840-2019, includes annual reports, exhibition publications, newsletters, bibliographies, acquisitions lists, guides, and events ephemera from numerous libraries, archives, museums, and foundations in the United States.

Series III: History of medicine and science institutions and organizations, England, 1878-2006, includes newsletters and conference materials from professional organizations and annual reports, exhibition publications, newsletters, bibliographies, acquisitions lists, guides, and events ephemera from libraries, archives, museums, and foundations in England. Institutions represented in the series include the Bodleian Library, Oxford; Royal College of Physicians, London; the Wellcome Institute, London, and others.

Series IV: History of medicine and science institutions and organizations, Canada, 1953-2013, includes newsletters and conference materials from professional organizations and annual reports, exhibition publications, newsletters, bibliographies, acquisitions lists, guides, and events ephemera from libraries, archives, museums, and foundations in Canada. The bulk of materials in the series are from the Osler Library, McGill University, Montreal.

Series V: History of medicine and science institutions and organizations, other countries, 1928-2019, includes newsletters and conference materials from professional organizations and annual reports, exhibition publications, newsletters, bibliographies, acquisitions lists, guides, and events ephemera from libraries, archives, museums, and foundations in Argentina, Australia, Austria, Belgium, Denmark, France, Germany, Hungary, Ireland, Japan, Mexico, The Netherlands, Poland, Scotland, South Africa, Spain, Sweden, and Switzerland.

---

## Arrangement

The collection is organized in five series: Series I. History of medicine and science organizations, United States, 1954-2009. Series II. History of medicine and science institutions, United States, 1840-2019. Series III. History of medicine and science organizations and institutions, England, 1878-2006. Series IV. History of medicine and science organizations and institutions, Canada, 1953-2013. Series V. History of medicine and science organizations and institutions, other countries, 1928-2019.

Materials in Series I. History of medicine and science organizations, United States, 1954-2009; III. History of medicine and science organizations and institutions, England, 1878-2006; and IV. History of medicine and science organizations and institutions, Canada, 1953-2013, are organized alphabetically by name. Materials in Series II. History of medicine and science institutions, United States, 1840-2019, are first organized by state, then alphabetically by name. Materials in Series V. History of medicine and science organizations and institutions, other countries, 1928-2019, are first organized by country, then alphabetically by name.
