Administrative Information

Conditions Governing Access

The materials are open for research. Original audiovisual materials, as well as preservation and duplicating masters, may not be played. Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy for their personal use should consult Copying Services information on the Manuscripts and Archives web site.

Preferred Citation

Lectures given by Guest Speakers at Yale University (RU 136). Manuscripts and Archives, Yale University Library.

Existence and Location of Copies

Videorecordings of Santiago Calatrava's Tanner Lectures on Human Values are available in RU 880, ACCN 2008-A-048, Boxes 6-7.

Scope and Contents

The material consists of audiorecordings of lectures given by Fred Seizer as part of the Giamatti Lecture Series in 1989 and watercolor drawings from Santiago Calatrava's Tanner Lectures on Human Values, 2007.

General note

Forms part of Yale Record Group 47 (YRG 47), Collections documenting teaching and learning in Yale academic programs.

Arrangement

The records are arranged by accession.

Collection Contents

Accession 2007-A-065: A. Bartlett Giamatti Lecture Series [audiorecordings], 1989

Original audiovisual materials, as well as preservation and duplicating masters, may not be played. Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy of non-commercially produced items for their personal use should consult the ordering reproductions information on the Manuscripts and Archives web site.

Accession 2008-A-085: Watercolor drawings from Santiago Calatrava's Tanner Lectures on Human Values, 2007 October 3-4

Santiago Calatrava, a leading world architect, delivered the 2007 Tanner Lectures on Human Values on October 3 and 4 at the Whitney Humanities Center, 53 Wall St. His first talk, "Wings and a Prayer," was delivered on October 3 at 4:30 p.m. and his second, "A Collection of Pearls," was delivered on October 4 at 6:30 p.m. Videorecordings of these lectures are available in RU 880, ACCN 2008-A-048, Boxes 6-7.

Trained in Spain and Switzerland, the Spanish-born Calatrava is renowned internationally for his architectural and engineering designs. His works range from bridges and train stations to libraries and museums. His most celebrated projects include his expansion of the Milwaukee Art Museum (2001), his first building in the United States; Sondica Airport, Bilbao (2000); James Joyce Bridge, Dublin (2003); the Auditorio de Tenerife, Santa Cruz, Canary Islands (2003); and Sundial Bridge at Turtle Bay, Redding, California (2004). Nearing completion are the Petach Tikvah Bridge, Tel Aviv; Quarto Ponte Sul Grand Canale, Venice; and the Palacio de las Artes, the last building for Valencia's City of Arts and Sciences. Calatrava is the winner of numerous honors and prizes, including the 2000 Algur H. Meadows Award for Excellence in the Arts, the 2005 Gold Medal from the American Institute of Architects and many honorary doctorates.

The Tanner Lectures on Human Values were established by the American scholar, industrialist and philanthropist Obert Clark Tanner, who hoped that these lectures would contribute to the intellectual and moral life of humankind.
