Administrative Information

Conditions Governing Access

Access to the records is restricted. See inventory for details.

Some records in this finding aid have been redacted, as they include student names, donor names, and other restricted data. These records will not appear in the published finding aid.

Conditions Governing Use

Copyright for materials authored or otherwise produced as official business of Yale University is retained by Yale University. Copyright status for other collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Department of Microbiology, Yale University, Records (RU 722). Manuscripts and Archives, Yale University Library.

Processing Information

Yale University records are arranged and described at the accession level by the creating office. The University Archives creates collection level descriptive records, but typically does no further arrangement and description at the accession level.

Scope and Contents

The records consist of correspondence, minutes, annual reports, faculty profiles, and administrative files of the chairman documenting the activities and operations of the Yale Department of Microbiology, which no longer exists as a separate academic unit.

General note

Forms part of Yale Record Group 14-B (YRG 14-B), Records of academic departments and programs of the Yale Faculty of Arts and Sciences.

Arrangement

The records are arranged by alphabetically by subject.
