Administrative Information

Immediate Source of Acquisition

Accession 2015-A-056 is gift of George C. Anderheggen, 2015.

Conditions Governing Access

The materials are open for research.

Preferred Citation

Images of Yale Individuals (RU 684). Manuscripts and Archives, Yale University Library.

Processing Information

Yale University records are arranged and described at the accession level by the creating office. The University Archives creates collection level descriptive records, but typically does no further arrangement and description at the accession level.

Scope and Contents

The materials consists of pictures of individuals associated with Yale, including students, faculty, officers, and visitors. Includes portrait photographs, and prints of drawings and paintings.

General note

This collection differs from RU 686, Photographs of individuals from the Yale University News Bureau, which strictly contains photographs maintained by the university for publicity purposes.

Forms part of Yale Record Group 48-A (YRG 48-A), Yale pictorial records and collections.

Arrangement

The images are arranged in two series and subsequent accessions. I. Alphabetical list of individuals. II. Oversize.
