Conditions Governing Access

Access to the records is partially restricted. See Collection Contents for details.

Preferred Citation

Yale University Press Records Concerning the Publication of Individual Titles (RU 168). Manuscripts and Archives, Yale University Library.

Processing Information

This finding aid was revised in 2021 to add this processing note to contextualize oppressive and harmful descriptive language used in a folder title in Series Accession 1994-A-132. This folder title contains oppressive and harmful language in its transcribed title of a printed work. The use of this title is not an endorsement of the language it contains. Original descriptive language has been retained to promote searchability and discoverability.

Previous versions of this finding aid may be available. Please contact Manuscripts and Archives for details. If you have questions or comments about these revisions, please contact Manuscripts and Archives. For more information on reparative archival description at Yale, see [Yale's Statement on Harmful Language in Archival Description](#).

Scope and Contents
