Administrative Information

Immediate Source of Acquisition

Gift of William N. Parker, 1992-1995; gift of Jarrett Parker, 2000.

Conditions Governing Access

Correspondence in boxes 15-18 of Accession 2001-M-033 is unprocessed and in a physical state that would prohibit use. Researchers wishing to request access should email beinecke.library@yale.edu requesting specific box numbers in order to initiate the review process, which may take several weeks.

Conditions Governing Use

Copyright for unpublished materials authored or otherwise produced by William Nelson Parker has been transferred to Yale University. These materials may be used for non-commercial purposes without seeking permission from Yale University as the copyright holder. For other uses of these materials, please contact beinecke.library@yale.edu.

Copyright status for other collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

William Nelson Parker Papers. Manuscripts and Archives, Yale University Library.

Biographical / Historical

William Nelson Parker was born in Columbus, Ohio, on June 14, 1919. He received his A.B. from Harvard in 1939, his M.A. in 1941, and his Ph.D. in 1951. Parker was an assistant professor of economics at Williams College from 1951 to 1956, and an associate professor, then professor of economics at the University of North Carolina from 1956 to 1962. He was a professor of economics at Yale from 1962 to 1989. Parker died on April 29, 2000.

Scope and Contents

The papers consist of correspondence, subject files, writings, course materials, and printed material documenting the life and career of economist William N. Parker.

Arrangement

Papers are arranged in one section, Inventory, and alphabetically by subject. Four additions maintain original arrangement where noted.
