Administrative Information

Conditions Governing Access

This collection is unprocessed and may not be available for immediate access.

Biographical / Historical

The Collections Information and Access department is responsible for identifying and implementing new web technologies to promote access to, awareness of, and research into the collections at the Yale Center for British Art. It coordinates the scholarly cataloguing of the collections, and it develops and maintains the online collections database as the foundation of an online research environment for the study of British art.

Scope and Contents

This collection contains collection condition surveys that have been entered into TMS.
