## Scope and Contents

- [I. Committee Records](#)
- [II. History and Program Documentation](#)
- [III. Consolidated General File](#)
- [IV. China Files](#)

The records date primarily from 1979 to 1990. Very little processing of the records has been done; the folders have been ordered and described as received. Record Group No. 11C covers the period of time when the UBCHEA was beginning to reinstitute programs in the People's Republic of China. Most of these China program files are in Series IV, but Series I, II, and III also contain some China-related material. Files related to institutions and programs in other Asian countries are primarily included in Series III, the Consolidated General File.
